

David Livingstone's Holiday Hamper Cookie
Drive
is happening soon!

Hey everyone, bring your homemade baked goods to school on Monday, December 17th.

Each package should include an ingredients tag. You can also include a brief personalized note, and please use sturdy packaging.

The morning of Monday, December 17th wait for an announcement from Ms. Carla Aird, from Tupper. All students that have baked goods will gather and we will all walk down the street to deliver the baked items to Tupper.

Thank you all so much for your generosity. The families are going to love receiving your baked items.
